MONDAY 15TH JANUARY

09.00 -10.00/17.00 -18.00

Drop-in Science Briefings

Come chat with our scientists to learn more about how changes at the poles affect your industry

Location: Arctic Basecamp, outside Hotel Schatzalp

11.00 -12.00/ 14.00 -15.00

Experience the Arctic in Davos with VR

Explore the Arctic's climate crisis through this immersive virtual reality experience.

Location: Arctic Basecamp, outside Hotel Schatzalp

12.00 -13.00

Drop-In: Come and Explore our Games and Tools

Join our scientists and explore our interactive tools and games exploring the polar regions.

Location: Arctic Basecamp, outside Hotel Schatzalp

18.30 -20.00 Come and Meet our Arctic Youth Ambassadors and Early Career Researchers

Together with the youth delegation from We Are Family Foundation, we will delve into discussions on both local and global solutions to inspire actionable measures that businesses and governments can adopt for our climate future.

Speakers: Tessa Varvares, Billy Cavanagh, Angela Zhong, Renata Koch Alvarenga, Hayat Muse, Italo Alves, Liam McLeavey, David Saddington

Location: Arctic Basecamp, outside Hotel Schatzalp

TUESDAY 16TH JANUARY

10.00 -11.00 Tackling the largest driver of Deforestation.

Roundtable co-lead with We Are Family Foundation's David Saddington and Arctic Basecamp's Angela Zhong

Location: Arctic Basecamp, outside Hotel Schatzalp

11.00 -12.00/ 14.00 -15.00

Experience the Arctic in Davos with VR

Explore the Arctic's climate crisis through this immersive virtual reality experience.

Location: Arctic Basecamp, outside Hotel Schatzalp

15.00 -16.00 Women Climate Leaders - Circle of Trust

Co-hosted by SHE Changes Climate, Arctic Basecamp and Kite Insights

Co-Facilitators: Elise Buckle, Sophie Lambin, Cathy Sorbara

Location: Arctic Basecamp, outside Hotel Schatzalp

17.30 -18.15 Accounting for Permafrost

Location: Global Collaboration Village, WEF Congress Center(closed session)

21.00 - 00.00 Polar Night Mixer

Networking Event in collaboration with Arctic Basecamp, Climate Basecamp, University of Exeter and the Club of Rome

Location: X-Ray Lounge, Berghotel Schatzalp AG, 7270 Davos Platz

REGISTER!

WEDNESDAY 17TH JANUARY

10.00 -11.30 Impacts of Global Climate Tipping Points on Health

High-level panel discussion on the present and future climate impacts on health.

Speakers: Catherine Sorbara, Arthi Ramachandran, Simon Van Wyk, Vanessa Grant, Alexandra Gerbasi, Jemilah Mahmood, Gill Einhorn, Angela Zhong, Renata Koch Alvarenga

Location for in-person attendance: SDG tent, Ocean Room

Live stream: <https://sdgtent.com/live-streams/ocean-room/>

11.30 -12.15 New Apps for Climate Adaptation (Gail Whiteman Moderating)

For leaders focused on climate adaptation, leveraging technology will be the principal source of value creation and value protection.

Speakers: Naoko Ishii, Levent Cakiroglu, Laura Alber, Hiroaki Kitano, Gail Whiteman

Location: WEF Congress Centre, Salon (closed session)

16.30 -17.30 Solutions to the Climate and Nature Crisis: Tipping the Balance from Negative to Positive

Hosted by the University of Exeter

The event will open with the new Global Tipping Points Report, the most comprehensive analysis of negative and positive tipping points ever produced.

Location: Arctic Basecamp, outside Hotel Schatzalp

17.30 -20.00 Mulled Wine Fireside Reception with the University of Exeter

Unique opportunity to network, engage in meaningful conversations, and continue discussions on how we can collectively drive progress in climate action.

Location: Arctic Basecamp, outside Hotel Schatzalp

THURSDAY 18TH JANUARY

10.00 -11.00 Earth Decides: Cultivating Informed Optimism (Gail Whiteman Participating)

What is needed to inform global decision makers of current nature and climate realities whilst cultivating the optimism needed to credibly respond?

Location: WEF Congress Centre, Multilateral Room 0.15 (closed session)

11.00 -12.00 Experience the Arctic in Davos with VR

Explore the Arctic's climate crisis through this immersive virtual reality experience.

Location: Arctic Basecamp, outside Hotel Schatzalp

12.30 -13.30 On Thin Ice: The Consequences of Climate Breakdown

What is needed to respond appropriately to increasing climate volatility unlocked at the poles?

Speakers: Ruzica Dacic, Renata Koch Alvarenga, Julienne Stroeve, Gail Whiteman, Aslak Holmberg, Alexandra Baumann

Location: Open Forum Swiss Alpine High School, Auditorium

Livestream: https://www.weforum.org/open-forum/event_sessions/on-thin-ice-the-consequences-of-climate-breakdown/

16.15 -17.00 The Global Risks Associated with Sea Level Rise from a Melting Greenland

This session connects participants in the Ice Village to an extended reality (XR) enabled dialogue in the Global Collaboration Village

Location: Global Collaboration Village, WEF Congress Center, broadcast at the Ice Village
